

BREMCO CONSTRUCTION INC.

Magnolia Commercial Center

Westminster, California

Client: Charles H. Manh & Associates

Architect: Access Architects

Budget: 2.1 million

Size: 17,000 SF

Built as a shell to be owned by Charles H. Manh and leased to various tenants, this represents Bremco's third project for Charles H. Manh and Associates. Work on this two story, wood frame and stucco building included preparation for future occupancy of one unit as a restaurant and two additional tenant improvements.
