Client: Charles H. Manh & Associates  
Architect: Access Architects  
Budget: 3.2 million  
Size: 14,000 SF

This is the first in a series of projects completed for Charles H. Manh & Associates. The building was designed for Mr. Manh's Law Offices to occupy the 2nd floor, which features a 2 story vaulted lobby and a corner office with a beautifully curved wall. Interior finishes boast cherry wood cabinetry, marble floors and 2'x2' plaster cast ceiling tiles at 12' above the finished floor. The building is over 53' high with a stainless steel 'crown' adorning the rounded corner office block.
