

## **Fenton Business Center**

Chula Vista, California

Client: Seymour Lewis Development, Ltd.

Architect: Howard Parsell Company

Budget: 3.0 million

Size: 43,410 SF

Working with the Owners on a design-build basis, Bremco assembled a dedicated team including the architect, mechanical, electrical and plumbing contractors to streamline the planning and construction process. Featuring three buildings on a 135,000 SF site, this business park utilized concrete tilt-up construction performed by Bremco's in house concrete crew.
