

Signature Flight Support

Long Beach, California

Client: Signature Flight Support Corporation

Architect: Kimberly Bewley & Company

Budget: \$237,000

Size: 4,000 SF

Signature Flight Support is a nationwide Fixed Base Operator with a distinct corporate image of quality and customer service. As a result, each facility is appointed with similar services and amenities. The Long Beach facility has also achieved this corporate look with improvements such as granite floors and custom millwork, providing a beautiful new FBO with minimal impact to ongoing operations.
